Submitted with refce. to the G.L. No.1477/48-E(III) dated the 13th March 1950, and the p.49. notes underlying thereon.

2. The S.E.,S.C., submits the required information in two statements. The statement at p.54 ante, shows the percentage of estabt. charges on works expdre. of merged States and the other at p.61 ante, shows the estabt. sanctioned for the sub-Dns. and that proposed to be continued during the year 1950-51.

3. The estabt. for the Ramdurg Sub-Dn. was sanctioned in the G.R. No.9304/36, dated the 29-9-48. p.1. The percentage of cost of estabt. to the total estimated expenditure for this Sub-Dn. is shown as 6.40 and is quite reasonable. Therefore the recommendations of the S.E. to continue this Sub-Dn. with the estabt. as shown in the statement p.61 Col.3. during the year 1950-51 may be accepted.

4. The Savantwadi Sub-Dn. was also sanctioned in the G.R. No.9304/36, dated the 29-9-48. p.1. The percentage of cost of estabt. to the total estimated expdre. in this Sub-Dn. is shown as 4.77. As regards estabt. for this Sub-Dn. the S.E. has asked for the following additional posts —

Bungalow Chawkidars	6
Sweeper	1
Messman	1

over the estabt. already sanctioned for this Sub-Dn. p.2.Col.8.. For the justification of this additional estabt. pl. see p.18 ante. It is therefore for consideration whether the Sub-Dn. is to be continued with the additional estabt. during the year 1950-51.

5. The Laxmeshwar Sub-Dn. was sanctioned in G.R. No.9304/36, dated the 20-6-49. The percentage of cost of estabt. to the total estimated expdre. is shown as 12.7. As regards estabt. the S.E., has asked for the following additional estabt. over the estabt. sanctioned in the above G.R. p.6.

Y B 113 9304/36-II

1477/48/24594.

As regards Maistries and Karkuns the S.E., states that the Laxmeshwar Sub-Dn. Comprises of roads of 142.25 miles and 155 buildings. Almost all the lengths of the roads pass through black soil and are not fully metalled or bridged. The roads in the state areas are to be reconstructed and some are to be improved. For this work three Maistries and 6 Karkuns to assit the overseers are absolutely necessary. As 3 Khalashis to the 3 overseers are necessary in addition to a Chawkidar and 2 peons the S.E. recommends that the inferior servants in this Sub-Dn. may be raised to 6 (3 Khalashis + 1 Chawkidar + 2 peons) and this additional staff is included in the statement. It is therefore for consideration whether the Laxmeshwar Sub-Dn. is to be continued with the estabt. shown in the statement during the year 1950-51.

6. There is also some estabt. absorbed from the merged Sangli State (Shahapur) viz-1 overseers, 1 Maistry and 1 Khalashi and attached to the Belgaum(B.R.) Sub-Dn. The S.E. states that the estabt. is necessary to maintain the roads and buildings merged in this area and requests that sanction thereto may be accorded for the year 1950-51.

7. In G.L. No.9304/36-E(II), dated the 16-3-1949, one audit clerk in the Ex.Engr's office Belgaum Dn. in the grade of Rs.46-3-85-4-105 is sanctioned for the Ramdurg Sub-Dn. The S.E. states that the two more audit clerks (1 for the savantwadi in the Ex.Engr's office Belgaum Dn. and 1 for Laxmeshwar in the Ex.Engr's office Dharwar Dn.) are quite necessary and ~~are therefore~~ requests that They may be sanctioned.

8 The S.E. has not sufficiently justified for the posts mentioned in para 6 above and for the two posts of Clerks in para 7. He may be asked to submit justification for

these posts in greater details and the posts sanctioned in G.L. No. 9304/36-E(II), dated the 16-3-49 may be continued during 1950-51.

10. The cost is debitable to the head "50-Civil Works - Establishment - Gods". The average annual cost on account of the additional establishment for the Sawantwadi Sub-dn and the Laxmeshwar Sub-dn is Rs 3,228 and Rs 9,144/- respectively (exclusive of allowances). As the cost in respect of the addl establishment for the Laxmeshwar Sub-dn exceeds Rs 5,000/- per annum and it is of recurring nature, the L.A's approval is necessary. If it is decided to sanction the additional posts, the L.A's appl will be obtained by means of a supplementary demand. A source to meet the cost in respect of the addl establishment for the Sawantwadi Sub-dn, will be pointed out by this Deptt. in due course, if it is decided to sanction

I believe the intention of the F.D. in getting the information in the pro-forma, was to compare the establishment engaged for the P.W.D. works in the particular area before the merger with that now proposed. The S.E's report does not give this comparison. A fresh one what is exactly required & ask the S.E. for the comparison if necessary. S.E may also be asked at the same time as proposed in para 4 of the O.N.

No. 7240/33-'O', dated the 17th Oct. 1949, mainly required all the Depts. to review the previous sanctions given to the temp'y estabt. in the merged States, with a view to eliminate the superfluous staff, if any, and incidently that Deptt. has also asked to show the strength of comparable estabt. prior to the merger, as sanctioned by the State authorities. The S.E., S.C., has not furnished information on this point but the same is available in the report on "the Deccan States Merger" submitted by the S.E. on Special Duty. As regards Laxmeshwar Subdn. it may be stated that it is composed of so many petty states that the information would not serve any useful purpose.

3 It may be mentioned here that these State areas are comparatively less advanced in the P.W.D. activities and naturally to bring them to the standard of the Province some more estabt. than what the State authorities had engaged, is necy. Therefore, the estabt: as sanctioned in the G.R. No. 9304/36, dated the 15th April 1948 (for Ramdurg and Sawantwadi Subdns), and G.R. No. 9304/36, dated the 20-6-1949 (for Laxmeshwar Subdn.) may be continued further for the year 1950-51, and for the addl. estabt. asked for, the S.E. will be asked to submit separate proposal for the same with statistical data in justification.

4 The papers may be refd. to the U.O. F.D. for its concurrence with the suggestion made in para 3 above.

This Sub-Dn. is composed of several petty States, & hence the information can not readily be made available. Moreover that would not serve any useful purpose.

4. From the above statement it appears that the staff sanctioned by this Govt. is generally on the lines of establishments working in existing sub-Dns. prior to merger, with slight changes according to the requirements of each sub-Dn. The F.D. may therefore agree to further continue the staff sanctioned for the above three sub-Dns. for a further period of one year.

No. G-55.

Public Works Department,
Belgaum: 26th October 1949.

Subject: Sanction of additional staff for merged areas.

Reference: Govt. Circular, Finance Department, No. 7240/33 dated 16-9-1949.

Referring to the above, I have to forward herewith a statement showing the sanctioned strength for the merged states' Sub-Divisions of Ramdurg, Sawantwadi and Laxmeshwar, and the strength now proposed, along with the possible additional expenditure on account thereof.

2. As the states were merged about a year back and the Establishment engaged therein is subjected to transfer to other Sub-Divisions etc., the present rate of pay of Establishment has been shown in the Statement as the starting pay of the posts and the proposed pay shown is that arrived at after adding an increment to the present rate of pay where the increments are annual. In the case of Overseers, no addition to the present pay is provided, to arrive at the proposed pay, as their pay has been shown at a higher starting pay.

3. The establishment absorbed from the merged Sangli State (Shahapur) viz: 1 overseer, 1 maistry and 1 khalasi and attached to the Belgaum (B & R) Sub-Division is shown under the"Executive Engineer's Office,Belgaum" under the head "Proposed" as no independent Sub Division for this Establishment is sanctioned. The establishment is necessary to maintain the roads and buildings merged and as such sanction thereto may please be accorded.

Surveyors - 8 posts of surveyors, were sanctioned for the Lakshmeshwar Sub Division as per ~~the~~ G.R.[X] ~~under reference~~. Of these, only 3 surveyors are considered sufficient for the present, as proposed, for the work of surveying and preparing projects for P.W.R. Works.

[X] P.W.D.No. 9304/36 dt 20-6-49.

Clerks: Only one audit clerk, in the Executive Engineer's Office, Belgaum Division in the grade of Rs. 46-3-85-4-105 is sanctioned for the Ramdurg Sub-Division. Two more audit clerks - 1 for Sawantwadi, in the Executive Engineer's Office Belgaum Division and 1 for Laxmeshwar in the Executive Engineer's Office Dharwar Division - are quite necessary and therefore proposed.

Maistries & Karkuns: The Laxmeshwar Sub Division comprises of roads of 142.25 miles and Buildings 155 Nos Almost all the lengths of the roads pass through black soil and are not fully metalled or bridged. The roads in the State areas are to be reconstructed and some to be improved to bring them with the P.W.D. Standard. For this work, some maistries and karkuns to assist the overseers are absolutely necessary. At present no

maistries ...

maistries or karkuns are sanctioned for this Sub Division. 3 Maistries and 6 karkuns as proposed in the statement are therefore, absolutely necessary and may be sanctioned.

Inferior Servants: 5 Inferior servants are sanctioned for the Laxmeshwar Sub Division as per the G.R. referred to above. As 3 khalasis to the 3 overseers are necessary in addition to a chowkidar and 2 peons, the Inferior Servants may be raised to 6 (3 khalasis + 1 chowkidar + 2 peons) as proposed.

Bungalow Chowkidars - For the present there are 3 Traveller's Bungalows and 3 Inspection Bungalows in the Sawantwadi State area. The Chowkidars at present, are borne on the workcharged Establishment, there being no provision for them on the Temporary Establishment. 2 Bungalows Chowkidars from Sawantwadi have already been absorbed for bungalows at Amboli. Thus,provision for 8 bungalow chowkidars is necessary and provision made may kindly be allowed to stand.

Sweepers - 1 sweeper from Sawantwadi is absorbed for the bungalow at Amboli. One more sweeper is necessary for the Travellers' Bungalow at Sawantwadi as it is frequently occupied by visitors. Thus 2 sweepers, as proposed, are necessary and may be sanctioned.

Messmen: One messman for the Travellers' Bungalow at Sawantwadi, as proposed, is at least, necessary, as the bungalow is frequently visited by travellers.

GENERAL: As all the three Sub-Divisions viz: Ramdurg, Sawantwadi and Laxmeshwar are required to be continued and have become full fledged ones, the establishment now proposed is the minimum and may therefore please be sanctioned.

A Compli:-
Prop. Statt.

In the case of Overseers, no addition to the present pay is provided, to arrive at the proposed pay, as their pay has been shown at a higher starting pay.

3. The establishment absorbed from the merged Sangli State (Shahapur) viz: 1 overseer, 1 maistry and 1 khalasi and attached to the Belgaum (B & R) Sub-Division is shown under the"Executive Engineer's Office,Belgaum" under the head "Proposed" as no independent Sub Division for this Establishment is sanctioned. The establishment is necessary to maintain the roads and buildings merged and as such sanction thereto may please be accorded.

Surveyors - 8 posts of surveyors, were sanctioned for the Lakshmeshwar Sub Division as per ~~the~~ G.R.* ~~under reference~~. Of these, only 3 surveyors are considered sufficient for the present as proposed, for the work of surveying and preparing projects for P.W.D. Works.

* P.W.D. No. 9304/36 of 20-6-49.

Clerks: Only one audit clerk, in the Executive Engineer's Office, Belgaum Division in the grade of Rs. 46-3-85-4-105 is sanctioned for the Ramdurg Sub Division. Two more audit clerks - 1 for Sawantwadi, in the Executive Engineer's Office Belgaum Division and 1 for Laxmeshwar in the Executive Engineer's Office Dharwar Division - are quite necessary and therefore proposed.

Maistries & Karkuns The Laxmeshwar Sub Division comprises of roads of 142.25 miles and Buildings 15 Nos Almost all the lengths of the roads pass through black soil and are not fully metalled or bridged. The roads in the State areas are to be reconstructed and some to be improved to bring them with the P.W.D. Standard. For this work some maistries and karkuns to assist the overseers are absolutely necessary. At present no

maistries ...

maistries or karkuns are sanctioned for this Sub Division. 3 Maistries and 6 Karkuns as proposed in the statement are therefore, absolutely necessary and may be sanctioned.

Inferior Servants: 5 Inferior servants are sanctioned for the Laxmeshwar Sub Division as per the G.R. referred to above. As 3 khalasis to the 3 overseers are necessary in addition to a chowkidar and 2 peons, the Inferior Servants may be raised to 6 (3 khalasis + 1 chowkidar + 2 peons) as proposed.

Bungalow Chowkidars - For the present there are 3 Traveller's Bungalows and 3 Inspection Bungalows in the Sawantwadi State area. The Chowkidars at present, are borne on the workcharged Establishment, there being no provision for them on the Temporary Establishment. 2 Bungalows Chowkidars from Sawantwadi have already been absorbed for bungalows at Amboli. Thus provision for 4 bungalow chowkidars is necessary and provision made may kindly be allowed to stand.

Sweepers - 1 sweeper from Sawantwadi is absorbed for the bungalow at Amboli. One more sweeper is necessary for the Travellers' Bungalow at Sawantwadi as it is frequently occupied by visitors. Thus 2 sweepers, as proposed, are necessary and may be sanctioned.

Messmen: One messman for the Travellers' Bungalow at Sawantwadi, as proposed, is at least, necessary, as the bungalow is frequently visited by travellers.

GENERAL: As all the three Sub-Divisions viz: Kanduru, Sawantwadi and Laxmeshwar are required to be continued and have become full fledged ones, the establishment now proposed is the minimum and may therefore please be sanctioned.
